

JWC LEGAL, PLLC
Consultation Form

*****Please complete this form and bring it with you to the initial consultation. Also, if you have received any legal notices from a court, a ticket from the police or have any other documentation relevant to the matter, please bring these materials with you.**

Initial Consultation: This is the time when an attorney listens to your situation, determines if you are a good fit for the Firm and the Firm is a good fit for you, and tells you what possible solutions you may have and the payment options for the solutions. You will not receive a definitive legal opinion because it is typically impossible to fully understand each part of a matter in the brief time allotted for the consultation.

Following your consultation, three outcomes are possible:

1. You and the Attorney mutually agree to the terms of representation, you make a payment, and you sign a Client Contract that talks about how your relationship with the Firm will work.
2. The Attorney declines representation, you pay the consultation fee for the attorney's time, or
3. You decide not to use the Firm's services.

Note: The following questions will help us to understand the reason for your visit today. Your responses are protected by attorney/client privilege and will be held in strict confidence.
